Section A - Cancellation or Curtailment

Section B - Emergency Medical Expenses

Your state of health may affect the cover provided under Your insurance. Please refer to the Cover and Exclusions to Cover in respect of Section A, B and C and to the Pre Existing Medical Conditions section.

Section B - Emergency Medical Expenses

You must contact the 24 hour medical Emergency Service for their Doctor's opinion prior to:-

- You being admitted to hospital or
- You arranging to return Home early or extend Your stay because of any illness or injury.

Hazardous Activity

Your attention is drawn to the Definition of Words section and the definition of Hazardous Activity. If You are taking part in any sport not listed please contact Us to find out whether You are covered.

Section G - Personal Baggage (including Ski Equipment)

Section H - Personal Money

Take due care of Your Personal Baggage and Personal Money. The vast majority of claims under these sections arise as a result of leaving items Unattended at restaurants, airports and hotels etc. Lack of proper care towards Your Personal Baggage and Personal Money will result in Your claim being turned down.

Valuables and Personal Money should not be left Unattended at any time except when left in Your locked personal accommodation or in a safety deposit box where possible.

In Particular please note:-

- Your policy does not cover Valuables or Personal Money when left in motor vehicles at any time
- Valuables and Personal Money must be carried in Your hand luggage when being transported by airlines, coach operators etc.

Your policy contains a single article limit on Personal Baggage and an overall Valuables limit. Expensive items, jewellery, photographic and electronic equipment, Ski Equipment, etc. should be insured under Your own home insurance.

Where cover applies to items that are stolen, lost and totally destroyed they will be replaced as new less a deduction for any wear, tear and depreciation.

OFF PISTE COVER

Off piste skiing is included provided You act reasonably and do not ski in a closed or avalanche risk area. If not skiing with a Guide or Instructor, always check that the area is suitable for a skier at Your level.

IMPORTANT ADVICE

- Whilst skiing is fun, there are still rules and regulations which apply - You can be prosecuted for behaving in a reckless or dangerous manner. The guidelines are the FIS rules - You should read and understand them before You ski - following them will help Your enjoyment.
- If You are not skiing with an instructor or guide, check that the area and the snow You wish to ski is suitable for a skier at Your level - get advice from the local ski school. Never ski in closed areas - it may be that an avalanche is imminent - or perhaps the mountain just comes to a dangerous cliff edge or sheer drop.
- Whilst skis left outside bars and the like are covered in the event of theft, 'mix 'n match' them - thieves only take pairs! Do not leave other property Unattended except in Your locked hotel room.

RECIPROCAL HEALTH AGREEMENT EU COUNTRIES

Travellers to European Union countries and Switzerland should apply and obtain the European Health Insurance Card (EHIC) or form E112. Applications for the EHIC can be made online at www.ehic.org.uk - the quickest route, or by Telephone on 0845 606 2030, or by post - application forms are available from the Post Office. This will entitle You to benefit from the reciprocal health arrangements which exist between European Union countries. In other countries where reciprocal health arrangements exist all reasonable steps should be made to utilise them.

In the event of liability being accepted for a medical expense which has been reduced by the use of an EHIC card (or other reciprocal health agreements) or Private Health Insurance, the applicable Emergency Medical Expenses section excess will not be applied. This does not apply where special excess terms have been imposed.

Should You be admitted to hospital then contact must be made with FOGG MEDI-INSURE and their authority obtained in respect of any treatment not available under the reciprocal arrangements before such treatment is provided.

FOGG TRAVEL MEDI-INSURE CARD

For Medical claims - Production of Your FOGG TRAVEL FOGG MEDI-INSURE CARD will mean that any rescue, transport or medical service in Europe, subscribing to the scheme, will make no charge to You for their service but will bill Us directly - the policy excess is, however, payable to the doctor at the time of treatment. In the event of difficulty You should contact the emergency medical assistance service immediately. You will be given a form by the medical/rescue service whenever the FOGG TRAVEL FOGG MEDI-INSURE CARD is used - this form should be sent to the address shown together with any ancillary pharmaceutical bills and the like at the end of Your Trip to obtain reimbursement of those costs incurred - less the policy excess amount - where You have made payment.

Otherwise, and in particular outside Europe, production of Your FOGG TRAVEL FOGG MEDI-INSURE CARD will be of assistance in confirming Your travel insurance details to rescue, transport or medical service providers.
